OME Structure

GENERAL ASSEMBLY
BOARD OF DIRECTORS
CHAIRMAN
VICE PREIDENTS

Hydrocarbons Committee

Renewable Energy and Sustainable Development Committee

Electricity Committee

Financing Committee

General Director

Permanent OME Team of Experts
Meetings of OME CEOs

- **Paris, June 17, 1995**
  Paris Declaration by the CEOs of the Mediterranean Energy Companies, in support of Euro-Mediterranean cooperation. Letter to the President of the European Commission Santer, & meeting with Commissioner Marin.

- **Cairo, October 1, 1995 (in parallel with WB-EC-OME conference on financing)**
  First decision about the study of Investment Guarantee Fund.

- **Madrid, November 20, 1995**

- **Trieste, June 6-8, 1996**
  Euro-Mediterranean Energy Conf. in Trieste (June, 6-8, 1996): Italian Presidency of the EU & European Commission. Launching by the EC of an important study about an Investment Guarantee Fund following the study of OME Financing Commitee.

- **Alsiers, November 30, 1996**
  Declaration to promote Euro-Mediterranean industrial partnership.

- **Cannes, November 1998**
  Need for a more determined Action to implement the Euro-Medit Partnership. Readyness of energy companies to cooperate with governments for the implementation of the Kyoto protocol.

- **Nice, October 2000**
  In presence of Mrs Loloya de Palacio, Vice President of the European Commission, State of the art of the "Barcelona process". Need to step into "phase two" of the process with the adoption and implementation of speedier and more concrete and focused actions.

Observatoire Mediterraneen de l'Energie

List of recent and major OME studies

SCENARIOS

HYDROCARBONS SECTOR

- LN6 Prospects for the Mediterranean area" Report (Dec 2001)
- Institutional aspects of natural gas sector in the Mediterranean region" Report (October 2001)
- Assessment of Internal and External Gas Supply Options for the EU. Evaluation of the Supply Costs of New Natural gas Supply Projects to the EU and an Investigation of Related Financial Requirements" Report (June. 2001)
- Natural gas prospects in the Mediterranean region" Report & Presentation at the Cairo Conference (December 1999)
- LP6 market prospects in the Mediterranean region** Report (June 1999)
- Natural gas in the Middle-East, actual status & future prospects" Report (Dec 1997)

ELECTRICITY SECTOR

- MedRing Project: "Presentation of the project" (under progress; Feb 2000- May 2003)
- The institutional aspects in the electricity sector in the mediterranean countries" Report (May 2001)
- Independent power plant projects in the Mediterranean" Report (May 2001)
- Power generation and cogeneration with natural gas" (Cairo conference in Dec. 1999)
- SYSTMED 6roup (MEDELEC/UNIPEDE): Group of experts on Mediterranean basin electric interconnections (Report. Oct 97)
RENEWABLE ENERGIES AND ENVIRONMENT

- MED2010: “Integration of PV and Wind. Large scale targets” (2002)
- CDMED: “Clean development mechanism in the Mediterranean region” (2001)
- IRESMED_Final report including synthesis on PV results and wind power results (Oct 2000)
- INTERSUDMED Project (CE-D6 Energy) “Prefeasibility study for the integration of renewable energies for electricity production in the southern Mediterranean countries” (Dec. 1997)

FINANCING OF ENERGY PROJECTS

- Energy investments in the Mediterranean region: issues and prospects” (Background document prepared for the Lyon conference on 22-23 March 1999)
Observatoire Méditerranéen de l’Energie

Seminars & conferences organized by the OME

- “Towards large scale integration of solar and wind power in Mediterranean countries”, Marrakech-20 September 2002
- Workshop E7-OME on “The Integration of Power Systems”. Paris-7 June 2002
- “Financing of energy projects in the Mediterranean region”. Istanbul-24 May 2001
- “How to Promote Natural Gas Utilization in the Mediterranean Countries”. Cairo-6&7 December 1999
- “Development of IPPs and Cogeneration in the Mediterranean Basin”, Tunis -17A18 November 1999
- “Electricity and Gas Trade in the Mediterranean”. Sevilla-December 1994
- “Financing of Natural Gas Projects”, Nice - December 1993
- “Electrical Interconnections in the Mediterranean”; Cairo-October 1991
- “Electricity Prospects in the Mediterranean”, Rabat-November 1989
- “Natural Gas Prospects in the Mediterranean”. Antibes-December 1988
