19th WPC South American Launch

The 19th WPC organising committee held a press conference during Rio Oil & Gas 2006 to launch the Congress in South America.

The Brazilian National Committee represented by Mr. Joao de Luca from IBP & President of Repsol YPF Brazil, welcomed Dr. Randy Gossen, the President of WPC and VP at Nexen to the event. Mr. Jorge Segrelles, Chairman of the Spanish Organising Committee for the 19th WPC gave a detailed overview of the preparations for the next Congress to the assembled press and Dr. Renato Bertani, was able to provide extensive information on the programme developments as Chairman of the WPC's Congress Programme Committee.

The press conference successfully attracted the media and companies from the South American region who asked a number of questions and expressed interest in attending the event in Madrid in 2008.

The 19th WPC Organising Committee Opens Office in Madrid

The Spanish Organising Committee for the 19th WPC have opened a new office in Madrid which will become the headquarters for the next Congress. The office is located in the heart of Madrid on Paseo Castellana, a short distance from the InterContinental Madrid Hotel, which will be the main hotel for the Congress.

Call for Programme Chairs, Moderators & Best Practice Keynote Speakers

The National Committees for the WPC have been invited to propose their candidates for the positions of Forum Chairs and Co-Chairs, Round Table Moderators for the Technical Programme of the 19th WPC. Suggestions for Best Practice Keynotes by senior industry leaders are also invited and will be replacing the RFP papers. All nominations have to be received by the Secretariat by the 3rd of November 2006. For further information please contact:

The 19th WPC Meets Key Decision Makers in Rio

Rio Oil & Gas 2006 attracted over 3,500 delegates and 800 companies with an estimated 32,000 visitors. With a stand at the exhibition the 19th WPC team were able to promote the Congress to this wide audience and arrange individual meetings with several key decision makers.

As a result reservations for exhibition space at the 19th World Petroleum Exhibition were made by Latin American companies such as Petrobras, PDVSA and Ecopetrol.

Upcoming Events.....

Over the next few months the 19th World Petroleum Congress team will be promoting the Congress at the following events:

3-6 October	KIOGE 2006 - Kazakhstan International Oil & Gas Exhibition & Conference, Almaty, Kazakhstan
5-8 November	ADIPEC, Abu Dhabi, UAE
14-16 November	WPC Council Meeting, Calgary, Canada including EC and CPC meetings
25-29 November	3rd Algeria Energy Week, Oran, Algeria
