Chuanyou Guanghan Honghua, Liaohe Petroleum, RG Petro-Machinery and Shengli Highland.

The 19th WPC team met with CNPC, SINOPEC, CNOOC, SINOCHEN as well as the Chinese National Committee for the WPC who all assured that the Chinese participation in Madrid would be substantial.

LNG 15 – 15th International Conference & Exhibition on Liquefied Natural Gas, Barcelona, Spain

Nearly 3,000 delegates and over 200 exhibitors attended LNG 15. The exhibition was officially opened by María Teresa Costa, President of the Spanish National Energy Commission.

The 19th WPC team were able to take advantage of their large exhibition stand and held various activities to promote the forthcoming Congress. Firstly, a Dell Computer was raffled each day and the winners were:

24th April - Hank Henrie, Williams, USA

25th April - Dan Thomas, PG, USA

26th April - Javier Llorens, ADDLINK, Spain

On Wednesday the 25th of April a press conference was held with Jorge Segrelles, Chairman of the Organising Committee and Dr. Pierce Riemer, Director General of the WPC, addressing the media to provide them with an update on the progress of the Congress preparations. The next day the team organised a "Día de las tapas" at the stand which proved very popular with the visitors of LNG 15.

During the week members of the team also held meetings with several companies such as Gazprom, ExxonMobil, Total, Qatar Petroleum, Gas Natural, Iberdrola, ConocoPhillips, Statoil, Sonatrach, Foster Wheeler and BP to name a few. All these organisations confirmed their interest to participate in the upcoming WPC.

The first winner Dan Thomas receives a Dell computer from Felipe Martinez of the 19th WPC Organising Committee

Javier Llorens is presented with a Dell Computer by Nuria Henche of the 19th WPC Organising Committee
